## PERSONAL INFORMATION

**Name:** Timothy R. Elliott  
**Citizenship:** United States  
**Home Address:** 131 Eagle Cliff Circle  
Fischer, Texas 78623  
**Phone:** (979) 422-1420  
**E-mail Address:** [telliott@tamu.edu](mailto:telliott@tamu.edu)  
**eRA Commons ID:** TRELLIOTT  
**RANK/TITLE:** University Distinguished Professor  
**DEPARTMENT:** Department of Educational Psychology  
4225 TAMU  
Texas A&M University  
College Station, TX  
**Phone:** (979) 862-3095 Fax: (979) 862-1256

## EDUCATION:

Institution	Degree	Year
Freed-Hardeman College	B.S.	1979
Auburn University	M.S.	1981
University of Missouri- Columbia	Ph.D.	1987

**CLINICAL INTERNSHIP:** Seattle Veteran's Administration Medical Center, 1986-1987  
**CLINICAL PRIVILEGES:** Professional Staff, Physical Medicine & Rehabilitation (1993-2003),  
Low Vision Center (2003 –2005)

**LICENSURE:** Psychologist: Alabama #693 (1993; inactive), Texas #36366 (2013 –  
present)

**BOARD CERTIFICATION:** American Board of Professional Psychology (1997)  
Rehabilitation Psychology Specialty (Diploma #4928)  
American Board of Rehabilitation Psychology (Diploma #28)

## ACADEMIC APPOINTMENTS:

## PROFESSIONAL PRESENTATIONS

### Poster Exhibits:

1. Pierce, B. S., Watson, J., Perrin, P. B., Tyler, C., McDonald, S. D., Mickens, M., Mutchler, B., Anderson, M. L., Elliott, T. R., & Pickett, T. C. (2020). Pilot evaluation of the telehealth transition assistance program for new spinal cord injury caregivers. Poster presented at the 22<sup>nd</sup> Annual Conference of the APA Division of Rehabilitation Psychology, San Diego, CA.
2. Watson, J., Perrin, P. B., Tyler, C., Pierce, B., McDonald, S., Mutchler, B., Anderson, M., Elliott, T. R., & Pickett, T. (2020). An evaluation of strategic research recruitment approaches for individuals with acute SCI and their informal caregivers. Poster presented at the 22<sup>nd</sup> Annual Conference of the APA Division of Rehabilitation Psychology, San Diego, CA.
3. Stickley, M. M., Wade, L., Armstrong, T. W., Elliott, T., Warren, A. M., & Foreman, M. L. (2019, February). Predicting depression following mild traumatic brain injury. Poster presented at the 21<sup>th</sup> Annual Conference of the APA Division of Rehabilitation Psychology, Orlando, FL.
4. Pierce, B. S., Burke, J. C., McDonald, S. D., Mutchler, B., Anderson, M. L., Elliott, T. R., Pickett, T. C., & Perrin, P. B. (2019). Pilot evaluation of the telehealth transition assistance program for new spinal cord injury caregivers. Poster presented at the 21<sup>th</sup> Annual Conference of the APA Division of Rehabilitation Psychology, Orlando, FL.
5. Wade, L., Stickley, M., Armstrong, T., Elliott, T., Jackson, W., Ryan, T., & Kearns, N. (2018, November). Clinical variables impacting adjustment following upper-level limb loss. Poster presented at the annual conference of the Texas Psychological Association, Frisco, TX.
6. Rendon, T., Bergeron, C. D., & Elliott, T. R. (2018, November). Older caregivers of individuals with intellectual disability: An examination of factors contributing to wellbeing. Poster presented at the Annual Scientific Meeting of the Gerontological Society of America, Boston, MA.
7. Burke, J. C., Pierce, B. S., McDonald, S. D., Mutchler, B., Anderson, M. L., Elliott, T. R., Pickett, T. C., & Perrin, P. B. (2018, February). Development of an SCI caregiver post-acute telehealth transition assistance program. Poster presented at the 20<sup>th</sup> Annual Conference of the Division of Rehabilitation Psychology, Dallas, TX.

8. Kearns, N. T., Jackson, W. T., & Elliott, T. R. (2017, February). Influence of partial hand loss on posttraumatic stress, pain interference, and emotional reactions. Poster presented at the 19<sup>th</sup> annual Rehabilitation Psychology Conference, Albuquerque, NM.
9. Baron, L. L., Lowery, L., & Elliott, T. R. (2017, February). Personality and sensory disability predict adjustment in the National Longitudinal Study on Health database. Poster presented at the 19<sup>th</sup> annual Rehabilitation Psychology Conference, Albuquerque, NM.
10. McMaughan, D., Naiser, E., Ozmetin, J., Lin, S.-H., Elliott, T. R., Fournier, C., Oremade, O., & Hugill-Warren, L. (2016, November). Framing the front door: Creating, testing and implementing the STAR-Kids screening and assessment instrument for Texas Medicaid managed care. Poster presented at the annual American Public Health Association convention, Denver, CO.
11. Frazier, C., Brossart, D., & Elliott, T. (2016, November). Depression rates in a health professional shortage area. Poster presented at the annual conference of the Texas Psychological Association, Austin.
12. Thakkar, P., McCord, C., Han, D., Surya, S., & Elliott, T. (2016, August). A spatial analysis of telehealth counseling services in rural Texas. Poster presented at the annual convention of the American Psychological Association, Denver.
13. Armstrong, T. W., Oluwo, O. T., Ghumman, U., Thakkar, P., McCord, C., & Elliott, T. (2016, August). Predicting and reducing suicidal and para-suicidal ideation through telecounseling in rural Texas. Poster presented at the annual convention of the American Psychological Association, Denver. [*Certificate of Excellence Award for Poster Presentation from the Society of Community Research & Action (Division 27)*]
14. Saenz, J., Armstrong, T., Kleine-Kracht, D., McCord, C., & Elliott, T. (2016, August). Telecounseling outcome differences in counselor-client ethnic identity matching. Poster presented at the annual convention of the American Psychological Association, Denver.
15. Bell, W., Saenz, J., Sequeira, A., Osofundiya, O., Chang, J., McCord, C., & Elliott, T. (2015, November). ## ORAL PRESENTATIONS:

### International:

1. Elliott, T., & Hsiao, Y.-Y. (2021, July). The mechanisms of resilience: Implications for positive psychological interventions. Virtual oral presentation at the 32<sup>nd</sup> convention of the International Congress of Psychology, ICP 2020+; Prague.
2. Fletcher, D., Dreer, L., & Elliott, T. (2005, April). Tactile analogue scale instrument for investigation of low vision patient psychological characteristics. Presentation at the Vision 2005 Conference sponsored by the International Society of Low Vision Research and Rehabilitation, London, UK.
3. Elliott, T., & Kennedy, P. (2002, May). Depression following spinal cord injury: An evidence-based review. Presentation in the symposium entitled Evidence-Based Reviews Musculoskeletal Disorders, Neuropathic Pain, Depression, and Cardiovascular Exercise conducted at the joint conference of the American Spinal Injury Association and the International MSOP, Vancouver, Canada.
4. Elliott, T., Kurylo, M., & Shewchuk, R. (1999, November). Project FOCUS: Problem solving training for new caregivers of persons with spinal cord injury. Paper presented in S. H. Friedman (Chair), Family Caregivers: Innovative Assessment Techniques and Problem-Solving Interventions for the Unofficial Members of the Health Care Team. Symposium conducted at the convention of the Association for the Advancement of Behavior Therapy, Toronto.
5. Richards, J. S., Shewchuk, R. M., Elliott, T., & Palmatier, A. (1996, August). Caregivers of persons with spinal cord injury: A longitudinal investigation. Paper presented in A. Quittner (Chair), Contemporary Perspectives on Family Caregiving of Persons with Chronic Conditions. Symposium conducted at the annual convention of the American Psychological Association, Toronto.
6. Elliott, T. (1993, August). Counseling psychology programs can prepare students for health psychology settings. In C. Carmin (Chair), Making Training Relevant: Counseling Psychologists in Health & Medical Settings. Symposium conducted at the annual convention of the American Psychological Association, Toronto.

## National:

1. Pfeiffer, K., & Elliott, T. R. (2018, February). Telephone delivery of a problem-solving intervention for family caregivers of adults with stroke. In symposium entitled, *Making Evidence-based Treatments Accessible via Telehealth: Models for Self-management, Problem-solving, and CI Therapy* (Gitendra Uswatte, Chair), conducted at the 20<sup>th</sup> annual conference of the Division of Rehabilitation Psychology, Dallas, TX.
2. Elliott, T. R. (2017, August). Discussant on symposium. In symposium entitled, *Innovations in the Application of Resilience and Well-Being Theory to Rehabilitation Psychology* conducted at the annual convention of the American Psychological Association, Washington, D. C.
3. Laird, V., Elliott, T. R., Brossart, D., Luo, W., Hicks, J., Warren, A. M., & Foreman, M. (2017, August). Trajectories of emotional well-being 1 year after traumatic injury: Resilience and social support. In symposium entitled, *Innovations in the Application of Resilience and Well-Being Theory to Rehabilitation Psychology* conducted at the annual convention of the American Psychological Association, Washington, D. C.
4. Elliott, T., & Walsh, M. (2017, July). The resilient caregiver: Personality prototypes and differential patterns of adjustment. In symposium entitled, *Caregiver Adjustment, Involvement, and Support* conducted at the 21<sup>st</sup> International Association of Gerontology and Geriatrics (IAGG) World Congress, San Francisco, CA.
5. Elliott, T. R., Hsiao, Y. Y., Kimbrel, N., Meyer, E., DeBeer, B., Gulliver, S., Kwok, O. M., & Morissette, S. (2017, February). Prospective model of resilience, traumatic brain injury and quality of life among Iraq/Afghanistan war veterans. In symposium entitled, *Functional Disability and Suicidality in Polytrauma Exposed Male and Female Veterans: Predictors and Evidence-Based Intervention* conducted at the 19<sup>th</sup> annual Rehabilitation Psychology Conference, Albuquerque, NM.
6. Elliott, T. R., Hsiao, Y. Y., Kimbrel, N., Meyer, E., DeBeer, B., Gulliver, S., Kwok, O. M., & Morissette, S. (2016, November). Resilience and traumatic brain injury among Iraq/Afghanistan war veterans: Differential patterns of adjustment and quality of life. In A. Smith (Chair) symposium entitled, *Diverse Approaches to Understanding Post-combat adaptation among OEF/OIF/OND Veterans: Integrating Social, Cognitive, Affective and Trait-based Factors*. Symposium conducted at the 32<sup>nd</sup> Annual Meeting of the International Society for Traumatic Stress Studies, Dallas, TX.
7. Elliott, T. R., Hsiao, Y., Kimbrel, N. A., Meyer, E., DeBeer, B. B., Gulliver, S. B., Kwok, O. & Morissette, S. B. (2015, April). Resilience, depression and posttraumatic stress among Iraq/Afghanistan war veterans. In S. Krill Williston (Chair) *Translating Research Findings to the Clinic and Community: An Examination of Risk and Protective factors of Quality of Life and Functioning among Recent Veterans in Diverse Contexts*. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Miami, FL.
8. Elliott, T. R. (2015, February). Resilience: Theoretical perspectives and clinical implications for rehabilitation psychologists. Presentation in the symposium entitled, *Social Psychological Perspectives on the Experience of Disability*, conducted at the annual conference of the Division of Rehabilitation Psychology, San Diego, CA.
9. Barringer, N., Kreider, R., Crouse, S., Greenwood, M., Elliott, T., Kotwal, R., Carroll, S., & Dalton, R. (2014, July). Fatty acid blood levels, vitamin d status, and physical performance and its relationship to resiliency and mood in active duty soldiers. Presentation at the annual convention of the National Strength and Conditioning Association, Las Vegas, NV.

10. Williamson, M. L. C., Elliott, T. R., Berry, J. W., Underhill, A. T., Stavrinou, D., & Fine, P. R. (2013, February) Predictors of health-related quality of life following traumatic brain injury. Paper presented at the 2013 Rehabilitation Psychology Conference, Jacksonville, FL. (Awarded 2<sup>nd</sup> place for Best Student Oral Presentation).
11. Lund, E. M., Elliott, T. R., Grant, J. S., Berry, J. W., & Fine, P. R. (2013, February). Developing a contextual model of caregiver burden: Examining abuse, depression and problem solving. Presentation at the 15<sup>th</sup> Annual Mid-Winter Rehabilitation Psychology Conference, Jacksonville, FL. (Awarded first place for Best Student Oral Presentation).
12. Elliott, T. (2011, August). Structured abstracts. Paper presented in the symposium entitled, *Writing Abstracts to Get Your Research Noticed* at the annual convention of the American Psychological Association, Washington, D. C.
13. Elliott, T. (2011, June). Problem solving training effects on family caregivers and care recipients. Paper presented at the Third Federal Interagency Conference on Traumatic Brain Injury. Washington, D. C.
14. Patnaik, A., Phillips, C.D., Dyer, J., Naiser, E., Miller, T., Fournier, C., and Elliott, T. (2010, November). Designing a resource allocation model for personal care services for children (CSHCN). Paper presented at the annual meeting of the American Public Health Association, Denver, CO.
15. Elliott, T. (2010, August). Caregiving is everywhere: Recognizing the prevalence of and burdens on family caregivers. Paper presented in the symposium entitled, Presidential Program – Serving Family Caregivers in Your Community: Opportunities, Roles, and Resources for Psychologists conducted at the annual convention of the American Psychological Association, San Diego, CA.
16. Barnes, M., Hocking, M., Madan-Swain, A., Katz, E., Elliott, T., Sande, J., Wallander, J., & Klapow, J. (2010, August). Problem-solving training with caregivers of childhood cancer survivors. Presentation at the annual convention of the American Psychological Association, San Diego, CA.
17. Elliott, T., Berry, J., & Grant, J. S. (2010, June) Problem-solving training for family caregivers: Understanding contagion effects on care recipients. Symposium presentation at the World Congress of Cognitive and Behavioral Therapies. Boston, MA.
18. Elliott, T. (2008, October). Utilizing technology to improve rural residents' access to mental health services. Presentation in the symposium entitled, Reducing Health Disparities for Rural Populations, conducted at the annual convention of the American Public Health Association, San Diego, CA.
19. Elliott, T. (2008, August). A legacy of hope. Presentation in the symposium entitled, Past, present and future of hope: Honoring C. R. Snyder, conducted at the annual convention of the American Psychological Association, Boston, MA.
20. Rivera, P. A., & Elliott, T. (2007, August). Preventing attrition from caregiver intervention programs and research. Paper presented in the symposium entitled, Engage, Retain, Adhere – Psychological Interventions with Family Caregivers at the annual convention of the American Psychological Association, San Francisco.
21. Elliott, T. (2006, October). Rehabilitation psychology. Presentation in the Editor's Roundtable Session conducted at the State of the Science Burn Research Conference sponsored by the American Burn Association, Washington, D.C.

22. Elliott, T. (2006, September). Predicting depression among family caregivers. Presentation conducted at the annual conference of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
23. Rivera, P., Elliott, T., & Shewchuk, R. (2005, September). Project FOCUS: Results of a longitudinal study of spinal cord injury problem solving training. Presentation conducted at the annual conference of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
24. Elliott, T. (2005, August). Funded research in counseling psychology: The problem and the potential. Paper presented in the symposium entitled, Federally Funded Research in Counseling Psychology – What Kinds and How to Get Them. Symposium conducted at the annual convention of the American Psychological Association, Washington, D. C.
25. Elliott, T., Shewchuk, R., & Rivera, P. (2004, November). Project FOCUS: Results of a problem-solving intervention for family caregivers of persons with spinal cord injury. Paper presented in the symposium entitled, Social Problem Solving Abilities in Chronic Disease and Disability. Symposium conducted at the annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
26. Dreer, L. E., Elliott, T., & Fletcher, D. C. (2004, November). Social problem-solving abilities and adjustment of persons in low vision rehabilitation. Paper presented in the symposium entitled, Social Problem Solving Abilities in Chronic Disease and Disability. Symposium conducted at the annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
27. Elliott, T. (2003, November). Education and support in the context of other interventions for caregivers. Paper presented at the Education, Training & Support Programs for Caregivers: Expert Panel Meeting sponsored by Johnson & Johnson and the Rosalynn Carter Caregiving Institute. Atlanta, GA.
28. Elliott, T. (2003, August). Applying the participatory action research model in a clinical setting with ethnic minority groups. Paper presented in the symposium entitled, Disability, Gender, Ethnicity, and Community – Using the Participatory Action Research Model. Symposium conducted at the annual convention of the American Psychological Association, Toronto.
29. Elliott, T., Shewchuk, R., Richards, J. S., & Chen, Y. (2003, April). Predicting changes in depression status in family caregivers of persons with recent spinal cord injuries. Paper presented at the conference conducted by the Centers for Disease Control entitled Safety In Numbers: Working Together from Research into Practice, Atlanta.
30. Elliott, T. (2002, September). Concomitants of depression among family caregivers of persons with recent-onset spinal cord injury. In Caregiving in Neurological Disease: Lifespan and Chronic Illness Perspectives. Symposium conducted at the conference entitled Advancing Nursing Practice Excellence: State of the Science Congress, Washington, D. C.
31. Elliott, T. (2002, September). Personality assessment: recommendations for assistive technology. In Matching Consumer and Assistive Technology for Successful Rehabilitation. Symposium conducted at the annual conference of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
32. Elliott, T. (2002, September). Hope for a positive psychology in theory, practice, and policy. In Hope for Positive Psychology: Theory, Practice, and Policy. Symposium conducted at the annual conference of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.

33. Shewchuk, R., Elliott, T., & Rivera, P. (2002, April). Cognitive representation of problems experienced by caregivers of persons with spinal cord injury. Paper presented at the annual conference of the Society of Behavioral Medicine, Washington, D. C.
34. Grant, J., Elliott, T., Bartolucci, A. & Giger, J. (2002, March). Caregiving problems experienced by family members of stroke survivors and strategies used to address the problems. Symposium conducted at the convention of the American Association of Neuroscience Nurses, Chicago.
35. Elliott, T., & Rivera, P. (2001, September). An active problem solving intervention for caregivers. Paper presented at the annual conference of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
36. Elliott, T. (2001, August). Developing meaningful programs to assist families living with disability. Paper presented in T. Elliott (Chair), Presidential symposium: Innovations in understanding and assisting families living with disabilities. Symposium conducted at the annual convention of the American Psychological Association, San Francisco.
37. Elliott, T. (2001, August). Defining our common ground to reach new horizons. Presidential address presented to the Division of Rehabilitation Psychology at the annual convention of the American Psychological Association, San Francisco.
38. Grant, J., Bartolucci, A., Elliott, T., Giger, J. (2001, April). Telephone problem-solving partnerships with family caregivers. Symposium conducted at the convention of the American Association of Neuroscience Nurses, San Francisco.
39. Clay, D. L. & Elliott, T. (2001, March). Counseling Psychology: Are we responding to America's health care needs and priorities? In D. L. Clay & M. Stern, (Co-chairs) Counseling Psychology: Responding to the Changing Health Care Environment. American Psychological Association Division 17 conference, Houston.
40. Elliott, T. (2000, November). Preparing psychologists to work with persons who have physical disabilities. Paper presented in S. H. Friedman (Chair), Training Clinical Health Psychologists for the 21<sup>st</sup> Century. Symposium conducted at the convention of the Association for the Advancement of Behavior Therapy, New Orleans.
41. Rivera, P. & Elliott, T. (2000, September). Personality style as a predictor of adjustment to disability following spinal cord injury. Paper presented at the annual conference of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
42. Elliott, T. (2000, August). Participant in symposium entitled, Creating Successful Strategies for Promoting Diversity in APA Divisions and Provincial Psychological Associates. Symposium conducted at the convention of the American Psychological Association, Washington, D.C.
43. Elliott, T. (2000, August). Both sides now: From academic counseling psychology to health care. Paper presented in K. Chwalisz & M. Stern (Chairs), Counseling Health Psychology: Celebrating Professional Biculturality. Symposium conducted at the convention of the American Psychological Association, Washington, D.C. [ERIC document temporary number CG030609, Resources in Education Level One; [https://archive.org/details/ERIC\\_ED448396](https://archive.org/details/ERIC_ED448396)].
44. Kurylo, M., Elliott, T., & Crawford, D. (2000, August). Alcohol use history and secondary complications following spinal cord injury. Paper presented in A. Heinemann (Chair), Substance Abuse and Disability: Outcomes Research and Policy Implications. Symposium conducted at the convention of the American Psychological Association, Washington, D.C.

45. Kurylo, M., & Elliott, T. (1999, August) Alcohol problems and adjustment to recent-onset spinal cord injury. Paper presented at the annual convention of the American Psychological Association, Boston.
46. Elliott, T., Shewchuk, R., & Richards, J.S. (1999, August). Social problem solving abilities and caregiver adjustment over time. Paper presented at the annual convention of the American Psychological Association, Boston
47. Elliott, T., & Shewchuk, R. (1998, November). Problem-solving training for caregivers of persons with spinal cord injury. Paper presented in A M. Nezu (Chair), Social Problem-Solving Therapy: State-of-the-Art and Future Directions. Symposium conducted at the convention of the Association for the Advancement of Behavior Therapy, Washington, D.C.
48. Elliott, T., & Shewchuk, R. (1998, November). Social problem-solving abilities predict caregiver and patient outcomes following spinal cord injury. Paper presented in C. L. Radnitz (Chair), Cognitive-Behavioral Practice with Persons with Physical Disabilities: Recent Innovations and Trends. Symposium conducted at the convention of the Association for the Advancement of Behavior Therapy, Washington, D.C.
49. Elliott, T. (1997, August). Issues in psychological assessment for rehabilitation services. Paper presented in D. L. Schneider & H. E. Roberts, (Chairs), Reauthorization of the Rehabilitation Act of 1973: Psychology's Role. Symposium conducted at the annual convention of the American Psychological Association, Chicago.
50. Shewchuk, R., Richards, J. S., Elliott, T., & Palmatier, A. D. (1997, September). Caregiver problems and solutions: A focus group approach. Paper presented in symposium conducted at the convention of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
51. Jackson, W. T., Johnson, M. O., & Elliott, T. (1995, September). Verbal learning and memory: SCI norms and implications for rehabilitation. Paper presented at the convention of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
52. Richards, J. S., Elliott, T., Shewchuk, R., & Little, D. (1995, May). Intentionality, risk, and the perception of responsibility: Changes in life satisfaction and family satisfaction in persons with spinal cord injury across the first year post-injury. Symposium presentation at the annual convention of the American Spinal Injury Association, Orlando.
53. Elliott, T. (1995, August). Discussant on symposium. Paper presented in D. Patterson (Chair), Suffering After Trauma: Should We Treat the Patient or the Staff? Symposium conducted at the convention of the American Psychological Association, New York.
54. Elliott, T. (1994, August). Theory-based assessment and interventions from counseling psychology perspectives. Paper presented in K. Chwalisz (Chair), Updating our Roots: Nineties Counseling Psychologists Working in Rehabilitation Settings. Symposium conducted at the annual convention of the American Psychological Association, Los Angeles.
55. Elliott, T. (1994, August). Discussant on symposium. Paper presented in D. Patterson (Chair), Patient Distress and Observer Bias after Physical Trauma. Symposium conducted at the annual convention of the American Psychological Association, Los Angeles.
56. Elliott, T., & Wegener, S. (1994, August). Respecting the primacy and integrity of psychology in predoctoral training. Paper presented in D. Patterson (Chair), Predoctoral, Postdoctoral, and ABPP Certification Training in Rehabilitation Psychology. Symposium conducted at the annual convention of the American Psychological Association, Los Angeles.

57. Elliott, T. (1994, April). Social support, depression, and spare time activities of men with spinal cord injuries. Paper presented at the annual convention of the American Spinal Injury Association, Philadelphia.
58. Elliott, T. (1993, March). Staff stress and intervention strategies. In W. McKinley (Chair), Health Maintenance for Patients and Staff. Symposium conducted at the Seventh Annual Advanced Conference for Health Professionals sponsored by the Virginia Spinal Cord Injury System, Williamsburg, VA.
59. Elliott, T. (1993, September). Clinical and methodological issues in SCI pain. In J. Summers (Chair), SCI Pain: Is it Really Different than Chronic Pain? Symposium conducted at the annual convention of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
60. Clay, D., Hagglund, R., Frank, R., & Elliott, T. (1992, August). Enhancing the depression diagnosis in spinal cord injury using Bayesian analysis. Paper presented at the convention of the American Psychological Association, Washington, D. C.
61. MacNair, R. R., & Elliott, T. (1991, August). Problem solving appraisal and behavioral health. In T. Elliott (Chair), Problem Solving Appraisal: Recent Applications and Theoretical Implications. Symposium conducted at the annual convention of the American Psychological Association, San Francisco.
62. Elliott, T. (1990, October). Training Psychology Graduate Students in Assessment for Rehabilitation Settings. In R. Glueckauf (Chair), Improving the Quality of Assessment Practices in Rehabilitation Psychology. Symposium conducted at Indiana University-Purdue University at Indianapolis, IN.
63. Elliott, T. (1990, September). Pain Assessment. In Chronic Pain and Spinal Cord Injury. Symposium conducted at the convention of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
64. Elliott, T. (1990, August). Social behavior and adjustment following spinal cord injury: Clinical and experimental evidence. In T. Elliott (Chair), Social Behavior and Adjustment following Spinal Cord Injury. Symposium conducted at the convention of the American Psychological Association, Boston.
65. Clay, D., Frank, R., Chaney, J., & Elliott, T. (1990, August). Diagnosing depression in patients with spinal cord injury. Paper presented at the convention of the American Psychological Association, Boston.
66. Elliott, T. (1989, November). Psychological interventions for anxiety in rehabilitation. In D. Bishop (Chair), Tension, Apprehension, Avoidance, Phobias, and Anxiety: Update of Assessment and Treatment. Symposium conducted at the convention of the American Congress of Rehabilitation Medicine, San Antonio.
67. Elliott, T. (1989, September). Psychological problems following discharge. In T. Elliott (Chair), Psychosocial Issues Facing the Spinal Cord Injured after Discharge: Didactic and Panel Discussion. Symposium conducted at the Fourth Annual Advanced Conference for Health Professionals on the Management of the Spinal Cord Injured Patient entitled, "The Reality of Post Discharge Care," Virginia Beach, VA.
68. Buckelew, S., Elliott, T., Frank, R., Shetty, M., Chaney, J., Hewett, J., & Riche, J. (1989, September). Adjustment to spinal cord injury: Stage theory revisited. In R. Frank (Chair), Depression and Spinal Cord Injury: Future Models of Assessment and Treatment. Symposium conducted at the convention of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.

69. Elliott, T., & Gramling, S. (1989, August). Psychology and rehabilitation: New roles and old training models. In R. Frank (Chair), Psychology in Rehabilitation: Exploited or Missed Opportunity? Symposium conducted at the convention of the American Psychological Association, New Orleans.
70. Elliott, T. (1989, August). Sensory-affective dimensions of pain and psychosocial functioning of spinal cord injured patients. In S. Gramling (Chair), Assessment in Pain Rehabilitation: Sensory and Affective Dimensions. Symposium conducted at the convention of the American Psychological Association, New Orleans.
71. ShROUT, J. R., Elliott, T., Gramling, S., & Elliott, A. (1989, March). Hassles on campus: Sources of student stress. Paper presented at the convention of the American College Personnel Association, Washington, D.C.
72. Elliott, T., Gramling, S., Personius, W., & Robertson, R. (1988, November). Sensory-affective measurement of chronic pain. Paper presented at the convention of the American Congress of Rehabilitation Medicine/American Academy of Physical Medicine and Rehabilitation, Seattle, WA.
73. Elliott, T., & Frank, R. (1988, October). Cognitive responses to disability and depression. Paper presented in the Accredited Session for Continuing Education Credit entitled "Selected Post-Stroke Studies" at the convention of the American Congress of Rehabilitation Medicine/American Academy of Physical Medicine and Rehabilitation, Seattle, WA.
74. Elliott, T., Spruell, M., & Godshall, F. (1988, September). Social support and psychosocial adjustment following spinal cord injury. Paper presented at the convention of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
75. Elliott, T. (1987, November). Social and interpersonal consequences of depression and physical disability. Paper presented at the convention of the American Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas, NV.

10. Elliott, T. (2005, February). Social problem solving abilities and behavioral health. Department of Psychology colloquium, University of Miami.
11. Elliott, T. (2003, November). Social problem-solving abilities and family caregiving following disability. Department of Psychology colloquium, University of Arkansas at Little Rock.
12. Elliott, T. (2003, October). Social problem-solving abilities and family caregiving following disability. UAB Center for Aging and Birmingham/Atlanta VA Geriatric Research, Education, and Clinical Center Scientific Seminar Series, University of Alabama-Birmingham.
13. Elliott, T. (2003, February). Social problem solving abilities and family caregiving following disability. College of Medicine Research Seminar presentation, Department of Medical Humanities and Social Sciences, College of Medicine, Florida State University.
14. Elliott, T. (2002, January). Active problem solving interventions for family caregivers. Case Conference Workshop, Department of Clinical and Health Psychology, University of Florida.
15. Elliott, T. (2001, October). Social problem-solving abilities predict patient and caregiver adjustment following spinal cord injury. Department of Psychiatry Grand Rounds, University of Alabama at Birmingham.
16. Elliott, T. (2001, September). Social problem solving abilities predict patient and caregiver adjustment following spinal cord injury. Department of Physical Medicine and Rehabilitation Grand Rounds, University of Alabama at Birmingham.
17. Elliott, T. (2001, June). Life after traumatic brain injury. Addressing the emotional needs of the family. Presentation at the Pediatric-Adolescent Traumatic Brain Injury Conference conducted by the Alabama Health Injury Foundation, Birmingham, AL.
18. Elliott, T. (2000, October). Health and wellness. Presentation to undergraduate music majors at Birmingham-Southern College, Birmingham.
19. Elliott, T. (2000, June). Stress? What stress? Stress management after SCI. Paper presented at the conference entitled, "New Challenges for a New Century: Celebrating 25 Years and Beyond" conducted by the Arkansas Spinal Cord Commission, Little Rock.
20. Elliott, T. (2000, June). Depression following SCI. Paper presented at the conference entitled "New Challenges for a New Century: Celebrating 25 Years and Beyond" conducted by the Arkansas Spinal Cord Commission, Little Rock.
21. Elliott, T. (1998, November). Problem solving appraisal and behavioral health. Colloquium presented at the Department of Psychology, University of Alabama, Tuscaloosa.

22. Elliott, T. (1998, September). Stress management. Paper presented at the Spinal Cord Injury Research Update for Consumers with SCI, Families, and Providers. University of Alabama at Birmingham.
23. Elliott, T. (1998, April). Assisting caregivers of persons with spinal cord injury. Paper presented at the Prepared Family Caregiver Conference, Penn State – Hershey Medical School, Hershey, PN.
24. Elliott, T., & Shewchuk, R. (1998, April). Assisting caregivers of persons with spinal cord injuries: A problem solving approach. Presentation at the Injury Control Research Center, University of Alabama-Birmingham.
25. Elliott, T. (1997, September). Social problem solving and adjustment following spinal cord injury. Department of Physical Medicine and Rehabilitation Grand Rounds, University of Alabama-Birmingham.
26. Elliott, T. (1997, August). Depression and coping among persons with SCI. Paper presented at the Howard A. Rusk International Symposium on Neurological Rehabilitation, University of Missouri, Columbia, MO.
27. Elliott, T. (1997, July). Psychological impact on consumers with a spinal cord injury. Paper presented at the conference entitled, “Analysis of Medical Disabilities by Specialties in Their Field”, conducted by the Alabama Department of Rehabilitation Services, Birmingham, AL.
28. Elliott, T. (1996, April). Psychosocial issues and treatment: New challenges. Paper presented at the annual advanced conference for health professionals conducted by the Virginia Spinal Cord Injury System, Williamsburg, VA.
29. Elliott, T. (1995, February). Self-appraised problem solving abilities and behavioral health. Presentation at the UAB Department of Psychology Colloquium Series, Birmingham.
30. Elliott, T. (1994, November). Problem solving appraisal and behavioral health. Presentation at the meeting of the Alabama Behavioral Medicine Group, Birmingham, AL.
31. Elliott, T. (1994, November). Disability and relationships. Presentation at the workshop entitled Epilepsy and You: Education for Daily Living, sponsored by the Epilepsy Foundation of North & Central Alabama, Birmingham, AL.
32. Elliott, T. (1994, October). Why do I feel on fire? Tips for preventing job burnout. Presentation at the annual staff conference of the Alabama Department of Rehabilitation Services, Montgomery, AL.
33. Elliott, T. (1994, June). Stress management. Presentation at the annual conference of the Alabama College Co-Op and Placement Association, Decatur, AL.
34. Elliott, T. (1994, May). Stress in the long-term health care provider. Paper presented at the annual convention of the Association of Rehabilitation Nurses (Alabama chapter), Birmingham, AL.
35. Elliott, T. (1994, April). Problem solving appraisal and behavioral health. Paper presented at the University of Missouri Health Sciences Center Psychology Consortium Series. Columbia, MO.
36. Elliott, T. (1989, May). Social behavior and rehabilitation. Paper presented at the Sheltering Arms Rehabilitation Hospital Conference on Rehabilitation Progress, Richmond, VA.
37. Elliott, T., Gramling, S., & Shrout, J. R. (1989, March). Personal and environmental moderators of student stress. In T. Elliott (Chair), The Stress of Student Life: Hassles on Campus. Symposium conducted at the convention of the Southeastern Psychological Association, Washington, D.C.

38. Elliott, T., Godshall, F., Witty, T., Yoder, B., Caulkins, P., Spruell, M. (1989, March). The relationship between psychosocial variables and sensory-affective dimensions of chronic pain in spinal cord injured (SCI) patients. In S. Gramling (Chair), New Directions in Pain Assessment: Bridging the Gap from Laboratory to Clinic. Symposium conducted at the convention of the Southeastern Psychological Association, Washington, D.C.
39. Gramling, S., & Elliott, T. (1989, March). Daily hassles and the stress of college life. Paper presented at the convention of the Southeastern Psychological Association, Washington, D.C.
40. Elliott, A. P., Gramling, S., Witty, T., Elliott, T., & Shrout, J. R. (1989, March). Hassles on campus. Paper presented at the convention of the Southeastern Psychological Association, Washington, D.C.

### Chaired Symposia

1. Elliott, T. (2014, August). The Medicaid 1115 Waiver program, training programs and addressing rural mental health. Symposium conducted at the annual convention of the American Psychological Association, Washington, D.C.
2. Elliott, T. (2010, August). Problem-solving training benefits family caregivers of individuals with disabilities. Symposium conducted at the annual convention of the American Psychological Association, San Diego, CA.
3. Elliott, T. (2010, August). Functional assessment of children seeking Medicaid services: Involving family caregivers. Symposium conducted at the annual convention of the American Psychological Association, San Diego, CA.
4. Elliott, T. (2007, August). Counseling psychologists with grant funds – principal investigators reveal their secrets. Symposium conducted at the annual convention of the American Psychological Association, San Francisco.
5. Dreer, L. E., & Elliott, T. (2004, November). Social problem solving abilities in chronic disease and disability. Symposium conducted at the annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
6. Elliott, T., & Sherwin, E. (2004, July). Future directions in determining treatment efficacy and effectiveness in rehabilitation. Symposium conducted at the annual convention of the American Psychological Association, Honolulu, HI.
7. Elliott, T., (2001, August). Presidential symposium: Innovations in understanding and assisting families living with disabilities. Symposium conducted at the annual convention of the American Psychological Association, San Francisco.
8. Elliott, T., & Waxweiler, R. (1998, May). Psychological and social issues in injury-related disabilities and rehabilitation. Dialog presentation conducted at the conference entitled, Public Health in the 21<sup>st</sup> Century: Behavioral and Social Science Contributions, sponsored by the American Psychological Association, Atlanta, GA.
9. Dunn, D., & Elliott, T. (1996, August). Advancing Psychosocial Theory in Disability: The Rehabilitation and Social-Personality Interface. Symposium conducted at the annual convention of the American Psychological Association, Toronto.

10. Elliott, T. (1994, September). Nonpathological Assessment of Personality of Persons with Spinal Cord Injury. Symposium conducted at the annual convention of the Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
11. Elliott, T. (1991, September). Interpersonal Behavior and Psychosocial Adjustment of Persons with Spinal Cord Injury. Symposium conducted at the annual convention of the Association of Spinal Cord Injury Psychologists and Social Workers, Las Vegas.
12. Elliott, T. (1991, August). Problem Solving Appraisal: Recent Applications and Theoretical Implications. Symposium conducted at the annual convention of the American Psychological Association, San Francisco.
13. Elliott, T. (1990, August). Social Behavior and Adjustment following Spinal Cord Injury. Symposium conducted at the convention of the American Psychological Association, Boston.
14. Elliott, T. (1989, September). Psychosocial Issues Facing the Spinal Cord Injured after Discharge: Didactic and Panel Discussion. Symposium conducted at the Fourth Annual Advanced Conference for Health Professionals on the Management of the Spinal Cord Injured Patient entitled, "The Reality of Post Discharge Care," Virginia Beach, VA.
15. Elliott, T. (1989, March). The Stress of Student Life: Hassles on Campus. Symposium conducted at the convention of the Southeastern Psychological Association, Washington, D.C.

## INVITED WORKSHOPS AND LECTURES

### International

1. Elliott, T. (2018, May). Effective problem solving interventions to promote resilience among caregivers of persons with brain injury. Invited presentation at the 2<sup>nd</sup> annual Congreso Iberoamericano de Neuropsicología, conducted in Almeria, Spain.
2. Elliott, T. (2014, June). Informing policies to support family caregivers. Invited presentation at the conference entitled, *Perspectives in Caregiver Research: From Research to Implementation*, sponsored by the Bundesministerium für Gesundheit, Berlin, Germany.
3. Elliott, T. (2007, July). Caregiver issues in the United States: Contemporary Issues. Invited presentation at the conference entitled, *New Approaches in Caregiver Research and Interventions* sponsored by the Robert Bosch Hospital, Clinic for Geriatric Rehabilitation; Stuttgart, Germany.
4. Elliott, T. (2003, June). Social problem solving abilities and family caregiving following disability. Guest presentation at the 20<sup>th</sup> Guttman Multidisciplinary Meeting entitled *Family and Social Impact of Spinal Cord Injury* conducted at the Stoke Mandeville Hospital, Aylesbury, England.
5. Elliott, T. (1996, August). Depression following spinal cord injury: Implications for rehabilitation psychology. Invited Division 22 Fellows address presented at the annual convention of the American Psychological Association, Toronto.
6. Byrd, E. K., & Elliott, T. (1987, September). Media and disability: Implications of research. Invited paper presented at the symposium conducted by the Polish Society for Rehabilitation of the Disabled entitled "The Mass Media and Disabled People," Warsaw, Poland.

## National

1. Elliott, T. R. (2017, October). Invited member on panel discussing transitional research targeting evidence-based caregiver programs conducted at the 30<sup>th</sup> Anniversary Summit of the Rosalynn Carter Institute for Caregiving, Georgia Southwestern State University, Americus, GA.
2. Elliott, T. (2016, May). Invited participant on panel discussion entitled, “Care challenges in mental and behavioral health and connected solutions” conducted at the *Broadband Prescriptions for Mental Health: A Policy Conference*, presented by the C2H FCC Task Force and the University of Houston Law Center Health Law & Policy Institute. Houston, TX.
3. Elliott, T. (2015, March). Mentoring as you go: Confessions of an inadvertent mentor. Invited Mitch Rosenthal Lectureship. Annual conference of the Division of Rehabilitation Psychology, San Diego, CA.
4. Elliott, T. (2013, March). Multiple dimensions of caregiving and disability. Invited presentation in the symposium entitled, *The Rosalynn Carter Institute for Caregiving Book Series: Research, Policy, and Practice*, Laura Bauer, Chair. Annual conference of the American Society on Aging, Chicago.
5. Elliott, T. (2013, February). Member on panel entitled, “*Indispensable Enough to Fund.*” Panel presentation at the Council of Counseling Psychology Training Programs Midwinter Meeting, Austin, TX.
6. Elliott, T. (2013, February). Member on panel entitled, “*Indispensability in Health.*” Panel presentation at the Council of Counseling Psychology Training Programs Midwinter Meeting, Austin, TX.
7. Elliott, T., & Morrissette, S. B. (2012, February). Introduction to research design: Issues relevant to rehabilitation. Invited paper presented at the 14<sup>th</sup> annual Rehabilitation Psychology Conference, Fort Worth, TX.
8. Elliott, T. (2010, August). How to publish your manuscript. Presentation in a workshop conducted at the annual convention of the American Psychological Association, San Diego, CA.
9. Elliott, T. (2009, February). Publishing (...what works and what doesn’t in getting manuscripts published). Invited presentation at the 11<sup>th</sup> Annual Rehabilitation Psychology Conference, Jacksonville, FL.
10. Elliott, T. (2008, October). Caring for the Family Caregiver. Keynote presentation at the 4<sup>th</sup> Annual Conference of the Missouri Brain Injury Association, St. Charles, MO.
11. Elliott, T. (2007, August). A problem-solving perspective of family caregiving. Invited address upon receipt of the Best Science Award in the program entitled, “*Showcase of Society of Counseling Psychology’s Best Practice and Science*” at the annual convention of the American Psychological Association, San Francisco.
12. Elliott, T. (2005, August). Social problem-solving and health: A policy-relevant research program. Invited address in receipt of the Dorothy Booz Black Award from the Society of Counseling Psychology, presented at the annual convention of the American Psychological Association, Washington, D. C.
13. Elliott, T., & Rivera, P. (2004, September). Caregiving and TBI: Issues, Concerns and Solutions. Presentation at the annual conference of the National Association of State Head Injury Administrators, Nashville, TN.

14. Elliott, T. (2002, April). 10th Annual Conference; Spinal Cord Injuries: A Multidisciplinary Approach to Today's Clinical Challenges, La Jolla, CA, conducted by Contemporary Forums. Conducted presentations on "Families as Part of the Rehabilitation Team," and "Psychosocial Considerations: Long-term Secondary Complications for Persons with SCI."
15. Elliott, T. (2001, June). 9th Annual Conference entitled Spinal Cord Injuries: Issues and Advances, Traverse City, MI, conducted by Contemporary Forums. Conducted presentations on "Caregiver Stress: Family Members as Care Providers" and "Reducing Secondary Complications of SCI: Medical and Psychological Issues."
16. Elliott, T., & Rivera, P. (2001, March). Rehabilitation Psychology 2001 and Beyond: Science and Practice in the New Millennium, Atlanta, GA. Conference sponsored by the Division of Rehabilitation Psychology/APA and the American Board of Rehabilitation Psychology. Conducted presentation on "Active Problem Solving Interventions for Family Caregivers."
17. Elliott, T. (2000, June). 8<sup>th</sup> Annual Conference; Spinal Cord Injuries, Fort Myers, FL., conducted by Contemporary Forums. Conducted presentations on "Family Caregiving Issues: Implications Concerning Family Involvement" and "Psychological Adjustment Post SCI: Recent Evidence and Updates."
18. Elliott, T. & Hagglund, K. (2000, March). Rehabilitation Psychology 2000 and Beyond: Science and Practice, San Antonio, TX. Conference sponsored by the Division of Rehabilitation Psychology/APA and the American Board of Rehabilitation Psychology. Conducted presentation "Advances in Spinal Cord Injury Rehabilitation."
19. Elliott, T. & Kurylo, M. (2000, March). Rehabilitation Psychology 2000 and Beyond: Science and Practice, San Antonio, TX. Conference sponsored by the Division of Rehabilitation Psychology/APA and the American Board of Rehabilitation Psychology. Conducted presentation on "Caregiver Assessment and Intervention."
20. Elliott, T. (1999, March). Rehabilitation Psychology 2000: Science and Practice, San Diego, CA. Conference sponsored by the Division of Rehabilitation Psychology/APA and the American Board of Rehabilitation Psychology. Conducted presentations on "Advances in SCI" and "Research Methodology: Practical Strategies for the Novice and Expert."
21. Elliott, T. (1998, August). Sponsored research in the counseling psychology literature. Invited Division 17 Fellows address presented at the annual convention of the American Psychological Association, San Francisco.
22. Elliott, T. (1991, August). Three questions for a junior colleague. Invited paper presented in response to receiving the Division 22 (Rehabilitation Psychology) Early Research Achievement Award at the convention of the American Psychological Association, San Francisco.

## **Regional**

1. McCord, C., Sequeira, A., Saenz, J., Wells, R., Garney, W., & Elliott, T. (2015, November). Reducing disparities in Texas: A collaborative approach utilizing telehealth, public health, and community partners. Symposium conducted at the annual conference of the Texas Psychological Association, San Antonio.
2. Sequeira, A., Leuthold, E., Lowry, L., Peterson, D., & Elliott, T. (2015, November). Treating child trauma in a rural, underserved area. Workshop conducted at the annual conference of the Texas Psychological Association, San Antonio.

3. Sequeira, A., & Elliott, T. (2014, August). 19<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "Children and PTSD: Therapeutic Implications."
4. Elliott, T. (2013, August). 18<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "Updates on the Brain and PTSD: Implications for TR."
5. Elliott, T. (2013, August). 18<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "What Families Need to Know about Traumatic Brain Injury."
6. Elliott, T., & Williamson, M. (2011, August). 16<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "Traumatic Brain Injury."
7. Elliott, T., & Kalpinski, R. (2011, August). 16<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "PTSD: Implications for Therapeutic Recreation."
8. Elliott, T. (2011, April). How to publish (...from the perspective of an Editor). In *How to Publish Session*, sponsored by the American Psychological Association, conducted at the annual convention of the Southwestern Psychological Association, San Antonio, TX.
9. Elliott, T. (2010, August). 15<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "TBI: Implications for Therapeutic Recreation."
10. Elliott, T. (2010, January). Family caregiving and neurological disability: Issues in research, policy and service delivery. Invited presentation to the Houston Neuropsychological Society, Houston, TX.
11. Elliott, T., & Villarreal, E. (2009, August). 14<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "Special Need Individuals and Sheltering During Disasters."
12. Elliott, T., & Resch, A. (2009, August). 14<sup>th</sup> Annual Therapeutic Recreation Summit, Camp for All, Burton, TX. Conducted session entitled, "Giving Parents a Voice: Challenges Experienced by Parents of Children with Disabilities."
13. Elliott, T. (2009, April). How to publish (...from the perspective of an Editor). In *How to Publish Session*, sponsored by the American Psychological Association, conducted at the annual convention of the Southwestern Psychological Association, San Antonio, TX.
14. Elliott, T. (2008, August). 13<sup>th</sup> Annual Therapeutic Recreation Summit, Camp For All, Burton, TX. Conducted session on "Traumatic Brain Injury and Wounded Warriors."
15. Elliott, T. (2007, August). 12th Annual Therapeutic Recreation Summit, Camp For All, Burton, TX. Conducted session on "Traumatic Brain Injury."
16. Elliott, T. (2006, November). Research in rehabilitation psychology. Presentation at the Clinical Psychology Research and Practice Seminar, Department of Psychology, Texas A&M University.
17. Elliott, T. (2004, September). Family Caregiving Following Spinal Cord Injury. Presentation at the conference entitled, "Successes, Challenges and Future Directions of Interdisciplinary Caregiving Research," sponsored by the University of Alabama-Birmingham Center for Aging, Birmingham, AL.
18. Elliott, T. (2004, August). Ninth Annual Therapeutic Recreation Summit, Camp For All, Burton, TX. Conducted workshops on "Developing Problem Solving Skills" and "Problem Solving Training for Family Caregivers."

19. Elliott, T., & Rivera, P. (2004, April). Train-the-Trainer workshop. Conducted at the meeting of the Alabama Primary Health Care Association, Montgomery, AL.
20. Elliott, T. (2002, May). "Life after Traumatic Brain Injury: Addressing the Emotional Needs of the Caregiver." Keynote presentation at the 17<sup>th</sup> Annual Western Michigan Brain Injury Symposium, Grand Rapids, MI.
21. Elliott, T. (2002, March). "Recognizing Family Caregivers: Integral and Formal Members of Health Care Service Delivery." Lecture presented at the course entitled, Effective Management and Treatment of Patients with Spinal Cord Injury, conducted by the Department of Veterans Affairs Employee Education System, for the VSIN7 Special Programs Service Line and the VSIN7 Education Service Line, Atlanta.
22. Elliott, T. (2001, November). "Active Problem Solving Interventions for Family Caregivers," Presentation to the UAB Hospital Social Service.
23. Elliott, T. (2001, October). "Active Problem Solving Interventions for Family Caregivers," Workshop sponsored by the Spinal Cord Injury Unit, Veterans' Administration Medical Center, Augusta, GA.
24. Elliott, T. (2000, July). Southwest Texas State University Therapeutic Recreation Summit, San Marcos, TX. Conducted lectures on "Depression Following a Spinal Cord Injury" and "Stress Management."
25. Elliott, T. (1997, October). Instilling hope in persons and families living with spinal cord injury. Keynote presentation at the conference entitled, SCI Management: Restoring Hope, Function, and Quality of Life, Virginia Commonwealth/Medical College of Virginia, Richmond, VA.
26. Elliott, T. (1996, April). Ninth Annual Advanced Conference for Health Professionals on Management of the Spinal Cord Injured Patient, Williamsburg, VA; conducted focus session entitled "Psychosocial Treatment and Intervention."
27. Elliott, T. (1994, February, March) Continuing Education Program, University of Alabama-Birmingham Division of Rehabilitation Nursing; presented workshops entitled "Coping with Stress and Burnout" and "Interpersonal Problem Solving."
28. Elliott, T. (1993, March). Seventh Annual Advanced Conference for Health Professionals on Management of the Spinal Cord Injured Patient, Williamsburg, VA; presented paper entitled "Staff Stress and Intervention Strategies" and participated on panel discussion addressing "Health Maintenance for Patients and Staff."
29. Elliott, T. (1989, September). Fourth Annual Advanced Conference for Health Professionals on Management of the Spinal Cord Injured Patient, Virginia Beach, VA; conducted focus session entitled "Assessment and Intervention of Psychosocial At-Risk Factors following Discharge."
30. Elliott, T. (1989, May). Woodrow Wilson Rehabilitation Center, Fishersville, VA; presented paper entitled, "Facilitating the Interdisciplinary Team" during a workshop entitled "An Interdisciplinary Approach to Rehabilitation: The Social Worker as Facilitator."
31. Elliott, T. (1989, May). Continuing Education Program, Medical College of Virginia; presented paper entitled "Psychological Considerations in the Management of Chronic Pain" at Lee County Hospital, Pennington Gap, VA; Lonesome Pine Hospital, Big Stone Gap, VA; and Pulaski Community Hospital, Pulaski, VA.
32. Elliott, T. (1989, April). Woodrow Wilson Rehabilitation Center, Fishersville, VA; conducted continuing education course on "Group Dynamics and the Management of an Interdisciplinary Team."

33. Elliott, T. (1988, October). The Management Center, School of Business, VCU; instructor of continuing education course entitled "Surviving the Stress of Management."
34. Elliott, T. (1988, June). Social-cognitive responses to depression and stigma. Invited paper presented at the conference entitled "Social Cognitive Processes in Adjustment and Health", Kill Devil Hills, NC.
35. Elliott, T., & Price, D. (1988, April). Guest faculty for program entitled, Pain Management sponsored by the Medical College of Virginia; conducted workshop entitled "Psycho-physical Assessment of Pain," and presented paper entitled "Psychological Assessment of Pain," Williamsburg, VA.
36. Byrd, E. K., & Elliott, T. (1986, June). Media and disability: A review of the literature. Invited paper presented at the Hofstra University Conference on Attitudes Toward Persons with Disabilities: A Comprehensive Evaluation, New York City.
